NEW MADISON PUBLIC LIBRARY

FILL OUR SHELVES 2011

A Fundraising Project

“FILL OUR SHELVES” FUNDRAISER 2011

The Details

Since 2006, our library has lost a significant amount of funding due to state budget cuts and the poor state of the economy. All areas of our budget have been cut, but our budget for books and other materials took the hardest hit. The amount we spend on books, CDs, audio books, magazines and other library materials has decreased by more than 35% since 2006.

We honestly don't know what the future holds for library funding. So we're making every effort to spend wisely and to find ways we can increase our income.

We know our wide variety of popular, up-to-date materials is one of the reasons you come to our library, so we are asking for your assistance. Here are two ways you can help Fill Our Shelves:

- 1. Make a donation (by cash or check) to the library. This is the best option because we have group buying power and discounts we can use to make the most of your donation.**
- 2. Request a copy of our “wish list”. Buy a book or other item on the list to donate to the library. You can even read it, listen to it or view it before you donate it! If you intend to buy something on the list, please let us know.**

Average Price of Library Items

Paperback book	\$10
Music CD	\$15
Magazine Subscription	\$20
Computer Software	\$25
Hardcover Book	\$30
Large Print or Audio Book	\$50

These prices should be used only as a guide. We appreciate any and all donations. The above prices include the cost of protective covers and cases.

Our Wish List

We maintain a “wish list” of several books, DVDs and CDs we'd like to buy but just can't afford right now. If you would rather donate an item instead of making a cash donation, please ask us for a copy of our wish list. If you intend to buy something on our “wish list” please let us know so we can avoid duplicates.

Our Promise to You

100% of the money generated through this project will be used to purchase the high-quality library materials you've come to expect from New Madison Public Library. We'll make every effort to abide by the preferences expressed with your donor information on the back of this brochure.

Your donation may be tax-deductible!

Contributions to New Madison Public Library may be tax-deductible. Please contact your tax advisor for more information.

Our Mission

New Madison Public Library is an educational, informational and recreational center for the public, meeting the needs of our patrons through equal access to information and technology. By offering a carefully selected variety of materials and superior patron service, we aid the public's quest for knowledge and stimulate the thinking process.
